NEWS- LETTER- MAY 2019

Dear Friends,

Greetings!

It has been a while since everyone heard from us. Most of February and March were spent visiting almost all our churches in various locations. When the Holy Spirit begins to visit a church ministry, with dreams, prophetic utterance, visions, angelic visitations etc. and when the church members also begin to have such glorious visitations, church life becomes wonderful.

When such occurrences begin to take place, it becomes possible for demonic strongholds to break down to bring divine transformation in a region.

It is with great joy to report about what is happening in our regular Tuesday's prayer, teaching and sharing times. Encounter with the Holy Spirit through dreams, visions, angelic visitations, etc. are beginning to be a phenomenon as it happens in the Acts of the Apostles.

It was on the basis of this occurrences that the Holy Spirit directed us to bring all our churches together for a four-days spiritual encounter (April 10,11,12, and 14) . As all our churches met at Adoato, our worship touched heavens. The morning and evening services were well attended ..

“But an hour is coming, and now is, when the true worshippers shall worship the Father in spirit and in truth for such people the Father seeks to be his worshippers.” “God is Spirit and those who worship Him must worship in spirit and truth” John 4:23-24 (NAS Bible) became a reality.

Burdens were rolled away, chains were broken, and people were healed, delivered and saved. With such a great joy, we all had our annual Easter convention at Trede (April 19th to 21st).

Spontaneous worship, unusual prophetic utterances, visions, dreams continued unabated. When you see people, who are always shy to speak in public directed by the Holy Spirit to speak, all we have to say is “Thank you God”.

Here is a nice testimony from one of our members, sister Beatrice from Mpobi church who gave a testimony about her brother who was becoming mentally insane. When she came to the Annual Convention, it was her prayer for her brother to be well. She prayed and after the convention her brother was healed. When unbelief and doubt give away and faith takes over and when people begin to know their authority in Jesus Christ the Son of the Living God it shows that the enemy cannot take them for granted.

Our people are beginning to know how to touch the Living God in prayer through Christ by the power of the Holy Spirit.

We have had volunteers from Germany with us since last year. They all came to the Annual Convention and were very excited. When I interviewed them, they said “we have not seen such a gathering, the love of God and the manifestations of the Holy Spirit before”.

To God be the glory, we are praying for the sustenance of this glorious move of God to expand his kingdom. Stay tuned.

Blessing.
Kwasi Appiah.
